PRICING POLICY

In an effort to preserve continuity across all retail channels, BGZ brands assigns a MSRP to each item manufactured. All resellers are expected to maintain this pricing structure regardless of the point-of-sale (including brick and mortar stores, kiosks, and e-commerce websites), unless prohibited by local or governing law. Any variance from MSRP must have written approval from BGZ brands. If this policy is violated BGZ brands reserves the right to terminate business with that reseller. All prices are quoted in US dollars.
